Red Cross Principles and Red Cross Emblem

From the Desk of the Chairman

Narendra Ningomba
Chairman
Indian Red Cross Society, Manipur State Branch

I extend my heartfelt wishes to all our esteemed volunteers who, despite hardships, turmoil, and numerous challenges, continue to render tireless service for the welfare of the people during their difficult times, on the eve of World Red Cross Day, 2026.

Manipur, inhabited by various tribes and ethnic communities, has unfortunately been facing issues related to militancy and unrest. Being a relatively underdeveloped state, the condition of road and transportation infrastructure also remains inadequate. These circumstances pose additional challenges to our volunteers. Nevertheless, the Indian Red Cross Society, Manipur State Branch, has continued to serve all communities tirelessly during epidemics, pandemics, and other humanitarian crises, with whatever limited resources may be available at any given time.

However, it is pertinent to mention that, on several unfortunate occasions, law enforcement agencies and security forces have failed to recognize the significance of the humanitarian work carried out by our volunteers, thereby causing disruptions in the discharge of our duties. Recent incidents at Sagolmang Health Centre, Thinungei, Ima Keithel, and other places may be recalled, where our ambulances were unnecessarily stopped and our volunteers harassed while transporting injured persons to hospitals. The concerned authorities are earnestly requested to ensure that such incidents do not recur in the future.

The theme for this year's World Red Cross Day, as circulated by Mr. Jaryl Ong, Regional Volunteering Coordinator of the International Federation of Red Cross and Red Crescent Societies, is "**United in Humanity.**" I humbly request all our volunteers to continue their noble work with the same unrelenting spirit and unwavering commitment, united as a team of selfless and dedicated individuals.

Narendra Ningomba
Chairman
Indian Red Cross Society, Manipur State Branch

Message from General Secretary,

Manipur State Branch

I want to congratulate the officials of all District Branches, Patrons, Vice Patrons, Life Members and Volunteers of the Indian Red Cross Society, Manipur State Branch on the successful release of the quarterly E-Bulletin from January to March 2026.

I also congratulate you all on the auspicious occasion of WORLD RED CROSS and RED CRESCENT DAY 2026. This year's theme is "United in Humanity". Although we come from different places, speak different languages, and carry different beliefs, we are united in providing Humanitarian service.

Recently, we faced some obstructions to our Ambulance Services during some agitations and rallies, which can be expected in conflict situations like the present condition in Manipur. We have informed our authorities and requested that necessary actions be taken up to prevent such incidents in future. At the same time, we should follow the Safer Access Frameworks and reconsider what can be done to avoid such incidents in future. Let's learn from the incident and keep our Fundamental Principles whenever we provide any humanitarian service.

Once again, I thank all the volunteers of the State Branch for all their good work and let's continue our humanitarian services in the coming days also.

With regards,

With deep appreciation,
